OUR KNOWLEDGE HELPED A POULTRY PROCESSOR INCREASE THEIR OPERATING BUDGET BY \$1.6 MILLION

Finding efficiencies in inventory and ingredients.

Opportunity is everywhere – if you know where to look. We recently reviewed the supply chain and logistics workflow of a large poultry manufacturer. We applied our industry knowledge and partner relationships to unveil new avenues for innovation, yield enhancement, and product delivery.

4 KEY AREAS FOR IMPROVEMENT:

1. Inventory Reduction

2. Transportation Proficiency

3. Ingredient Consolidation

4. Technology Resources and Automation Updates

In addition, the streamlined inventory management added other benefits such as increased safety due to less forklift and truck traffic, better quality due to fresher ingredients, fuel and labor savings, and more accurate physical inventory levels.
